*To the Shareholders and for information only,

Dear Sir or Madam,

PROPOSED GENERAL MANDATES TO BUY BACK SHARES AND TO ISSUE SHARES

1. INTRODUCTION

At the last AGM held on 16 December 2016, general mandates were granted by the Shareholders to the Directors to exercise the powers of the Company (1) to buy back Shares and (2) to issue, allot and deal with new additional Shares up to (1) 10% and (2) 20%, respectively of the Company's issued Shares as at the date of passing the resolution. Pursuant to the provisions of the Listing Rules, such general mandates will lapse at the conclusion of the 2017 AGM unless renewed thereat.

The purpose of this circular is to provide you with information regarding, among others, (i) the proposed general mandates to be granted to the Directors to buy back its own Shares and to issue Shares and the extension of such mandate; and (ii) to seek your approval at the 2017 AGM in connection with such matters.

LETTER FROM THE BOARD

2. GENERAL MANDATE TO BUY BACK SHARES

At the last AGM held on 16 December 2016, a general mandate was granted to the Directors to exercise the powers of the Company to buy back Shares. This general mandate will lapse at the conclusion of the 2017 AGM.

At the 2017 AGM, an ordinary resolution will be proposed which, if passed, will grant the Directors a general and unconditional mandate to exercise all the powers of the Company to buy back not exceeding 10% of the aggregate number of the shares of the Company in issue as at the date of passing the resolution (“**Buy Back Mandate**”) (i.e. the date of the 2017 AGM), for the period from the said date until the conclusion of the next AGM or such other period as stated in the ordinary resolution.

An explanatory statement, as required under the Listing Rules to be given to the Shareholders concerning the Buy Back Mandate, is set out in Appendix to this circular and contains all the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the ordinary resolution relating to the Buy Back Mandate.

3. GENERAL MANDATE TO ISSUE SHARES

At the last AGM held on 16 December 2016, a general mandate was granted to the Directors to issue, allot and deal with additional Shares not exceeding 20% of the aggregate number of shares of the Company in issue. Such general mandate will lapse at the conclusion of the 2017 AGM.

It will be proposed at the 2017 AGM two ordinary resolutions respectively granting to the Directors a general and unconditional mandate to allot, issue and deal with additional Shares representing up to 20% of the aggregate number of Shares of the Company in issued as at the date of passing the resolution (i.e. the date of the 2017 AGM), for the period from the said date until the conclusion of the next AGM or such other period as stated in the ordinary resolution and adding to such mandate so granted to the Directors any Shares bought back by the Company under the Buy Back Mandate (“**Shares Issue Mandate**”).

Subject to the passing of the ordinary resolutions granting the Shares Issue Mandate and on the basis that no further Shares are issued or bought back prior to the 2017 AGM, the Company would be allowed under the Shares Issue Mandate to issue a maximum of 76,634,089 Shares representing 20% of the aggregate number of shares of the Company in issue as at the date of passing the resolutions.

The Company has no immediate plans to allot and issue new additional Shares under the Shares issue Mandate.

LETTER FROM THE BOARD

4. 2017 AGM

The resolutions in relation to the above proposed Buy Back Mandate and Share Issue Mandate are proposed in the Notice convening the 2017 AGM which is contained in the Annual Report. Shareholders are advised to read the Notice of 2017 AGM and if you are not able to attend the 2017 AGM (or any adjournment thereof) but wish to exercise your right as a Shareholder, please complete, sign and return the form of proxy enclosed with the Annual Report in accordance with the instructions printed thereon and deposit the same with the Company's share registrar, Tricor Tengis Limited, Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong, as soon as possible, but in any event not less than 48 hours before the time appointed for holding the 2017 AGM or any adjournment thereof. Completion and return of the form of proxy will not preclude you from attending and voting at the 2017 AGM or any adjournment thereof should you so wish.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on the resolutions to be proposed at the 2017 AGM.

5. VOTING BY WAY OF POLL

Pursuant to Rule 13.39(4) of the Listing Rules, save for the resolutions which relate purely to procedure or administrative matter to be voted by a show of hands, any vote of the Shareholders at a general meeting of the Company must be taken by way of a poll. Accordingly, each of the resolutions to be considered and, if thought fit, passed at the 2017 AGM will be voted by way of a poll by the Shareholders. Article 79 of the Articles of Association provides that on a poll, every Shareholder present in person or by proxy shall have one vote for every Share held by that Shareholder. An explanation of the procedures of conducting a poll provided in the notes to the Notice of the 2017 AGM and details will be conveyed to the Shareholders at the 2017 AGM. The Company will publish an announcement on the poll results of the resolutions on the respective websites of the Company at "<http://www.laisun.com>" and the Stock Exchange at "<http://www.hkexnews.hk>" promptly after the conclusion of the 2017 AGM.

6. RECOMMENDATION

The Directors consider that the proposed Buy Back Mandate and Shares Issue Mandate as mentioned above are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend that all Shareholders should vote in favour of the relevant resolutions to be proposed at the 2017 AGM.

LETTER FROM THE BOARD

7. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully,
For and on behalf of the Board of
Lai Sun Garment (International) Limited
Lam Kin Ming
Chairman

This explanatory statement contains all the information required by Rule 10.06(1)(b) of the Listing Rules to be given to the Shareholders reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution(s) relating to the Buy Back Mandate.

(I) EXERCISE OF THE BUY BACK MANDATE

As at the Latest Practicable Date, the issued share capital of the Company comprised 383,170,448 Shares and there were outstanding options granted under the Share Option Scheme to subscribe for 17,384,484 Shares.

Subject to the passing of the relevant ordinary resolution granting the Buy Back Mandate and on the basis that no further Shares will be issued (whether generally or pursuant to the exercise of the subscription rights attaching to the outstanding options) prior to the date of the 2017 AGM, exercise in full of the Buy Back Mandate would result in up to a maximum of 38,317,044 Shares representing 10% of the existing issued shares of the Company as at the Latest Practicable Date being bought back by the Company during the relevant period.

(II) REASONS FOR BUY BACK

Although the Directors have no present intention of buying back any Shares, they believe that the flexibility afforded by the Buy Back Mandate will be in the best interests of the Company and the Shareholders as a whole. Such buy back may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net assets value and/or earnings per Share and will only be made when the Directors believe that such buy back will benefit the Company and the Shareholders as a whole (e.g. if there are occasions in the future when depressed market conditions arise and the Shares are trading at a discount to their underlying value).

(III) FUNDING OF BUY BACK

Pursuant to the Buy Back Mandate, the Company may only apply funds legally available for buy back in accordance with the laws of Hong Kong in which the Company is incorporated and the existing Articles of Association of the Company. The finance for such buy back may include the Company's available internal resources and/or the legally internal funding facilities.

If the Buy Back Mandate is to be exercised in full at any time during the proposed buy back period, there might be a material adverse effect on the working capital or gearing position of the Group (as compared with the position disclosed in the published audited consolidated financial statements of the Company for the year ended 31 July 2017). However, the Directors do not propose to exercise the Buy Back Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which are, in the opinion of the Directors, appropriate for the Company from time to time.

(IV) SHARE PRICES

The highest and lowest prices per Share at which the Shares had been traded on the Stock Exchange during each of the twelve months preceding the Latest Practicable Date were as follows (the prices of the Shares during the period from 1 November 2016 to 14 August 2017 were adjusted as a result of the Share Consolidation):

Month	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2016		
November	8.100	7.350
December	8.500	7.500
2017		
January	8.400	7.800
February	9.900	8.050
March	10.300	9.600
April	11.250	9.550
May	12.000	10.150
June	17.500	11.600
July	17.250	14.700
August	18.150	13.800
September	19.800	13.800
October	16.100	14.800
November (up to the Latest Practicable Date)	15.260	13.500

(V) BUY BACK MADE BY THE COMPANY

The Company bought back a total of 770,000 shares on the Stock Exchange during the six months immediately preceding the Latest Practicable Date (i.e. from 10 May 2017 to 10 November 2017) and details of which are as follows:

Date of Buy Back	Number of Shares Bought Back	Price per Share	
		Highest <i>HK\$</i>	Lowest <i>HK\$</i>
17 May 2017	600,000	2.34	2.28
18 May 2017	170,000	2.38	2.35
	770,000		

The Shares bought back in May 2017 were subsequently cancelled on 31 May 2017. The issued share capital of the Company was accordingly reduced by the aforesaid bought back Shares upon their cancellation.

Save as disclosed above, the Company had not made any buy back of Shares (whether on the Stock Exchange or otherwise) during the six months immediately preceding the Latest Practicable Date.

(VI) INTENTION AND UNDERTAKING

None of the Directors nor, to the best of their knowledge and having made all reasonable enquiries, any of their respective close associates (as defined under the Listing Rules) have any present intention to sell any Shares held by them to the Company under the Buy Back Mandate if such Buy Back Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that so far as the same may be applicable, they will exercise the Buy Back Mandate in accordance with the Listing Rules, the Articles of Association and the relevant laws in Hong Kong applicable to the Company.

No core connected person (as defined under the Listing Rules) has notified the Company that he has a present intention to sell the Shares held by him to the Company, or has undertaken not to do so, in the event that the Buy Back Mandate is approved by the Shareholders.

(VII) IMPLICATIONS OF THE TAKEOVERS CODE AND THE LISTING RULES

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of a share bought back by the Company, such increase will be treated as an acquisition of voting rights for the purpose of Rule 32 of the Takeovers Code and Rule 6 of the Code on Share Buy-backs. Accordingly, a Shareholder or a group of Shareholders acting in concert could, depending on the level of increase in their shareholding interest(s), obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer for Shares in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the controlling shareholder (as defined under the Listing Rules) of the Company named below was interested or was deemed to be interested under the SFO in the issued Shares and the underlying Shares as follows:

Name	Capacity	Nature of Interests	Number of issued Shares and underlying Shares	Approximate % of total issued Shares
Lam Kin Ngok, Peter ("Dr. Peter Lam")	Beneficial owner/ Owner of controlled corporation	Personal and corporate	161,083,921	42.04% (Note)

Note:

Dr. Peter Lam was deemed to be interested in 112,518,086 Shares (representing approximately 29.37% of the Company's issued share capital) by virtue of his 100% interest in the issued share capital of Wisdoman Limited which directly owned 112,518,086 Shares in the Company.

In the event that the Company exercises the Buy Back Mandate in full and taking no account of the issue of new Shares by the Company pursuant to any general or specific mandate given by the Shareholders at any general meeting and the share option scheme adopted by the Company on 22 December 2006 and 11 December 2015, respectively or any other scheme or otherwise, the aggregate beneficial shareholding interests and deemed shareholding interests of Dr. Peter Lam in the Company will be (for illustration) as follows:

Name	Approximate % of total issued Shares
Dr. Peter Lam	46.71%

Accordingly, such increased shareholding interests in the Company will give rise to an obligation to make a mandatory offer for the remaining Shares under Rule 26 and Rule 32 of the Takeovers Code. However, the Directors have no present intention to exercise the Buy Back Mandate to such an extent as would result in the above takeover obligation.

Save as disclosed above, the Directors are not aware of any Shareholders or group of Shareholders acting in concert, who may become obliged to make a mandatory offer under Rule 26 and Rule 32 of the Takeovers Code as a consequence of any purchases of Shares pursuant to the Buy Back Mandate.

Assuming that there is no change in the issued Shares between the Latest Practicable Date and the date of buy back, the exercise of the Buy Back Mandate whether in whole or in part will not result in less than 25% of the total issued Shares being held by the public as required by Rule 8.08 of the Listing Rules. However, the Directors have no present intention to exercise the Buy Back Mandate to such an extent as would result in a public shareholding of less than such prescribed minimum percentage.
